Country: China
Subject/Description of Artwork:
   The artwork's title is "Lost in Reverie". It is made by pencil.
Comments:
   My picture is about a traditional cup with hot tea in it. There are some clouds (云) floating out of the cup, and like a dream, a famous monkey sits on the cloud. The title of the book next to the cup is "Xi You Ji" (journey to the West 西游记). It is a famous Chinese book. I really love my creatures. I hope you do too!
